FAQs

If I already make a gift of over \$1,000, am I already part of BGS?

Yes, as long as you are 40 or under. For example, if you already made your donation to be a part of our Real Estate & Construction Network (REC), then you are automatically part of BGS.

Can I make my donation in the middle of the year?

Yes, you can make your gift at any point in our campaign year and still be a BGS donor for the entirety of the campaign year.

Do I have to pay the full donation all at once?

No, we are happy to set up a payment schedule that works best for you.

What does my donation go towards?

Your generous donation is applied to Federation's Annual Campaign. With your help, last year we raised over \$54 million, which allowed us to identify and address our community's most pressing challenges and greatest opportunities related to caring for Jews in need; engaging with our community; ensuring the Jewish Future for children, teens, and young adults; and keeping our community safe through our Community Security Initiative. As a result, we have made a lasting impact in Los Angeles, Israel, and more than 70 countries around the world for over 100 years. Working with our dedicated partners, generous community, and passionate leadership, we look forward to the next 100!
